

INTRODUCING

COOLANT CATCHER™

A new concept in drain pan design !

- Large surface area - 25" X 31" - 8.5 gal. capacity
 - Low profile - 5 3/4"
 - Unique **anti spill / anti splash** baffling system
 - Built in drain spout and hand grips for easy emptying
 - 360 degree swiveling casters
 - Multi-Fluid compatibility
 - Durable engineered plastic construction
 - Made in the USA
-

*The **Coolant Catcher's** low profile and easy movement via 360 degree swiveling casters allows easy positioning under most cars or trucks without needing a hoist or jack stands. The **Coolant Catcher's** unique **baffling pad** prevents splashing and spillage when collecting or transporting liquid. In addition, the baffle pad catches dropped tools and parts for easy retrieval. Integral hand grips and pour spout allow for easy emptying of the **Coolant Catcher**.*
